

Empowering Vietnamese Students with Global Career Opportunities

8A x TAFE/RTO – Background

- The Aged Care industry in Australia is suffering a skills shortage
- The Australian Nursing and Midwifery Federation have signed Industry Labour Agreements (ILA) with the Australian Government
- TAFEs and RTOs have been approached to help fill the skills shortage in Aged Care
- TAFEs and RTOs are approaching educational institutions in Southeast Asia to educate, develop and supply well trained PCAs to Australia
- TAFEs and RTOs are partnering with 8A locally as the preferred partner in Vietnam

Aged Care Worker Qualifications

By current regulations:

- To meet occupation requirements for a Skills in Demand visa (subclass 482) and Employer Nomination Scheme visa (subclass 186), overseas workers must have one of the following:
- a relevant Australian Qualifications Framework (AQF) Certificate III or equivalent, or a higher qualification
- *For example. a Certificate III in Individual Support (Ageing and Disability)*
- *TAFE/We will have to negotiate with the Vietnamese university or college how to integrate their study modules and the 120 hours practicum into the local aged care/nursing program.*
- 12 months of relevant full time work experience, or equivalent part time experience
- *TAFE will have to sign off on what is acceptable as 12 months work experience in Vietnam which will be a combination of recognized prior/additional learning and current work experience.*

The Student Journey
